NATURAL CAMEL

COLOUR PALETTE

Natural Camel, con le sue tonalità calde e avvolgenti, trasmette un senso di calore e armonia familiare.

Questo colore crea un'atmosfera rilassante e confortevole, rendendo gli ambienti invitanti e accoglienti.

È pensato per far sentire le persone a casa, promuovendo un senso di intimità e benessere.

Natural Camel, with warm and enveloping shades, was selected to convey a sense of warmth and family harmony.

This colour creates a welcoming and comfortable atmosphere, making environments inviting and relaxing.

It's designed to make people feel at home, promoting a sense of intimacy and well-being.

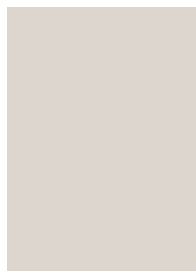

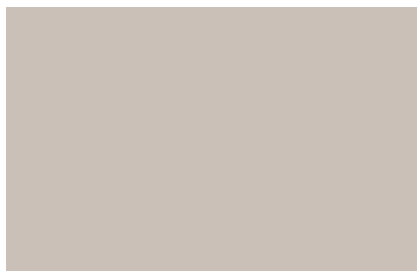

LIGHT GREY

COLOUR PALETTE

NCS S 1502 - Y50R

NCS S 2005 - Y50R

NCS S 2502 - Y50R

NCS S 4005 - Y50R

Light Grey, in tutte le sue sfumature, richiama la roccia e le pietre e rappresenta la matericità e la solidità.

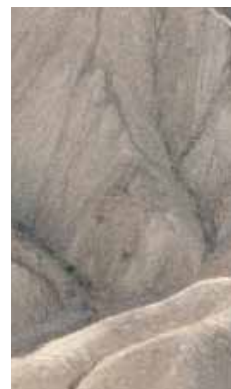

Questo colore evoca la forza e la durabilità degli elementi naturali, infondendo negli spazi un senso di stabilità e permanenza.

Offre una base neutra e sofisticata che riflette la resistenza dei materiali grezzi e l'eleganza discreta delle superfici naturali.

Light Grey, in all its shades, evokes rock and stones representing materiality and solidity.

These colours evoke the strength and durability of natural elements, infusing spaces with a sense of stability and permanence.

Light Grey offers a neutral and sophisticated base, reflecting the robustness of materials and the elegance of natural surfaces.

TERRA

Forest Green simboleggia il nostro impegno verso la sostenibilità e l'attenzione all'ambiente.

Richiama la vitalità della natura e la freschezza della vegetazione, rappresentando la nostra connessione con il mondo naturale e il nostro desiderio di proteggerlo.

Il verde non è solo una scelta estetica ma anche un richiamo alla responsabilità ecologica e al rispetto per il pianeta.

Forest Green symbolizes our commitment to sustainability and attention to the environment.

This color recalls the vitality of vegetation and the freshness of nature and represents our connection with the natural world and our desire to protect it.

The green is not only an esthetical choice but it's a remind to ecological responsibility and respect for the planet.
